Attn: Dianne E. Dixon, Deputy Superintendent of Banks
One State Street
New York, NY 10004

Dear Ms. Dixon

The Village and Town of Theresa respectively would like to express the significance of having The New York State Banking Development District support rural communities such as ours.

The District Status is a vital program to entice banks to open branches in communities such as ours. The benefits to the residents of Theresa are immeasurable and we will continue to move forward in achieving our goal to persuade and welcome a bank into our community.

We appreciate all the effort and hard work that you have expended to us and look forward to working with you in the future. Thank you.

Sincerely,

VILLAGE OF THERESA

Timothy Tanner
