TO: TREASURER OR OTHER FISCAL OFFICER AUTHORIZED TO
RECEIVE THE ANNUAL FOREIGN FIRE TAX DISTRIBUTION

DIRECT DEPOSIT

The New York State Department of Financial Services requires participation in the direct deposit program for distribution of the foreign fire tax funds that are payable on or before July 1 of each year.

If you received the prior year distribution by direct deposit and the bank account information remains the same for the current year, no action is necessary. If your bank account information has changed from last year, in addition to completing a new authorization agreement for automatic deposit form with the updated information, please provide a copy of a voided/cancelled check or other bank documentation so that the routing and account numbers can be verified. The completed form and supporting account documentation are required to be returned by April 1 of the distribution year.

The form is available on the Department's Fire Tax Information page:
