In addition to the foregoing list of Motor Vehicle Accident Prevention Course sponsors available to the general public, there are a number of in-house courses offered only to the employees of such sponsors. Information on these courses is not intended for distribution to the general public, but should be disseminated to the appropriate personnel at the insurer to ensure that credit is given for completion of any of these courses by an insured, meriting the same premium reduction as the publicly available courses. Current sponsors of approved in-house programs are:
