**Circular Letter No. 14 (2005)  
October 5, 2005**

**TO: All authorized property/casualty insurers, co-operative property/casualty insurers, financial guaranty insurers, mortgage guaranty insurers, title insurers, reciprocal insurers, captive insurers, registered risk retention groups; rate service organizations; State Insurance Fund; New York Property Insurance Underwriting Association; New York Medical Malpractice Insurance Plan; New York Automobile Insurance Plan; Motor Vehicle Accident Indemnification Corporation; and Excess Line Association of New York.**

**RE: Disaster Planning, Preparedness and Response**

**STATUTORY REFERENCE:** Sections 301, 305, 308, 2130, and 7001; and Articles 52, 53, 54, 55 and 59 of the New York Insurance Law

This circular letter replaces and repeals Circular Letter No. 7(2004). Life and health insurers included in Circular Letter No. 7 (2004), but omitted from this circular letter should note that their disaster planning, preparedness and response will be addressed by circular letter later in this year.

**A. History & Background – Circular Letter No. 11 (2001)**

In keeping with New York Governor George E. Pataki's mandate to anticipate potential problems for the citizens of New York State, Circular Letter No. 11 (2001), issued on May 10, 2001, was addressed to all property/casualty insurers licensed to do business in New York State and established the New York State Insurance Disaster Coalition (Insurance Disaster Coalition). The Insurance Disaster Coalition, a public private partnership, was created to "identify and organize specific Insurance Department and insurance industry resources to serve victims of natural disasters and other state emergencies." In addition, the circular letter provided for the creation of the Insurance Emergency Operations Center (IEOC), which would be staffed by selected insurance industry disaster liaisons and representatives of the Insurance Department, to coordinate disaster response.

As part of the disaster response effort Circular Letter No. 11 (2001) and its two supplements:

- Established an annual "Pre-disaster" report detailing property exposure information, by county, in the state;
- Indicated that companies should name "Insurance Company Disaster Liaisons" and provide their contact information to the Department;

- Issued a Disaster Response Questionnaire and asked property casualty insurers to submit a copy of their Disaster Response Plan to the Department;
- Created a method by which insurers could obtain "Insurance Adjuster Temporary Permits"; and
- Provided a mechanism for post-disaster reporting of claims data.

## B. Organization of this Circular Letter

For the sake of clarity each section of this circular letter begins with a statement indicating the entities to which that section applies.

## C. The New York State Insurance Disaster Coalition and the Insurance Emergency Operations Center (IEOC)

### Section C applies to all addressees of this circular letter.

When an emergency or disaster situation occurs, the Insurance Department is looked upon to provide the Governor and the State Emergency Management Office (SEMO) with critical information regarding the amount and extent of property losses, as well as other damage assessments. Based on this information the Governor determines whether and when to request a federal disaster declaration and how to prioritize the deployment of state assets.

The insurance community, including the property, life and health sectors, has been identified as a key resource to providing early assessments of damages arising from natural or man-made disasters. Insurers play an important role in quantifying the magnitude of losses - insured and uninsured - and determining both the degree and duration of insurer response to losses. Accordingly, all entities addressed by this circular are

expected to assist the Insurance Department in obtaining the information needed to accomplish the above objective –before, during and after disasters strike.

An integral part of the Insurance Disaster Coalition response to any disaster is the Insurance Emergency Operations Center (IEOC) which will be staffed by selected insurance industry disaster liaisons and representatives of the Insurance Department, to coordinate disaster response.

The Insurance Emergency Operations Center will be activated upon direction of the Superintendent of Insurance in accordance with the nature and extent of the event. Where possible this determination will be made in conjunction with our disaster coalition partners.

#### **D. Before a Disaster Strikes**

##### **1) Pre-disaster data/information survey**

Accurate, timely and consistent information is of critical importance to the Governor and the State Emergency Management Office during disasters. To ensure that insurance industry information is readily available during disasters, effective the date of this circular letter, the Insurance Department requires the following information be provided:

**This section is addressed to all property/casualty insurers with New York direct written premium reported on its Annual Statement, for any of the following lines:**

- 01 - Fire
- 02.1 - Allied Lines
- 02.2 - Multiple Peril Crop
- 02.3 - Federal Flood
- 03 - Farmowners Multiple Peril
- 04 - Homeowners Multiple Peril
- 05.1 - Commercial Multiple Peril (Non-Liability Portion)
- 12 - Earthquake

**Annual Report** -- Each property/casualty insurer must provide to the Insurance Department a listing - by New York county - of property exposure information, as of December 31, for personal lines (non-auto) and commercial lines (non-auto) for each authorized member within an insurance company group.

This information is to be provided for the following categories: total building and contents insurance in force for the lines indicated and total number of policies. Each insurer must provide the information by completing the electronic report. This report is due on April 1, 2006 and should be filed each April 1<sup>st</sup> thereafter.

The Pre-Disaster Survey electronic template and instructions for its completion and submission can be found on the Department Web site at:

<http://www.ins.state.ny.us/dprcldoc.htm>

##### **2) Disaster Response Plan and Questionnaire**

**Sections 2(a) and 2(b) on Disaster Response Plans and Questionnaires apply to all addressees of this circular letter.**

Each addressee is asked to incorporate the New York State Insurance Disaster Coalition procedures, into its own disaster response plan. Since the New York State Insurance Disaster Coalition procedures and the Insurance Emergency Operations Center (IEOC) continue to be, integral parts of the industry's response to any disaster in New York State, the completion of the electronic template and the submission of each insurer's disaster response plan are needed to maintain the effectiveness and accuracy of information used by the Coalition in the event of a future disaster.

##### **a) Disaster Response Plan**

The disaster response plan should describe how the entity intends to provide its policyholders with the resources they will need to recover from a disaster. To this end, a disaster response plan should at a minimum indicate what preparations the insurer has made in the following areas:

- Board of Director support for an “Emergency Preparedness Plan”
- Appropriate emergency response training of company personnel
- Plans for suitable expansion of claims handling capacity in a variety of disaster scenarios, including provisions to cover:
  - adequate personnel
  - catastrophe response team availability
  - access to disaster areas and personnel identification
  - applications for temporary adjuster permits
- Testing of the Emergency Response Plan
- Incorporation of the role of insurance company disaster liaisons, and their interaction with the New York State Department of Insurance.

**Please note that more detailed guidance on creating a Disaster Response Plan is provide in the attached appendix.**

Entities may provide their completed disaster response plans either electronically(as an e-mail attachment), by compact disk or diskette or by hand copy(if no electronic means are available).

On June 1, 2006, and annually each June 1<sup>st</sup> thereafter Disaster Response Plans submitted to the Insurance Department should be updated, if necessary. If no update is necessary, to a previously submitted Plan, an e-mail containing the Company Name(s), NAIC number(s), and NAIC Group number should be submitted to the Insurance Department Disaster Plans Mail box (see below) to indicate that no change to the plan was necessary.

E-mails should be directed to the Insurance Department Disaster Response Plans Mail box at:

[DRP@ins.state.ny.us](mailto:DRP@ins.state.ny.us)

US Mail should be addressed to:

State of New York Insurance Department  
Disaster Preparedness and Response Bureau  
DRP Unit, 5<sup>th</sup> Floor  
25 Beaver Street  
New York, NY 10004

#### **b) Disaster Response Questionnaire**

The Disaster Response Questionnaire electronic template is not to be used in lieu of an insurer’s own disaster response plan. Rather, the requested information is to be included in each insurer’s own plan.

The Disaster Response Questionnaire electronic template and instructions for its completion and submission can be found on the Insurance Department Web site at:

<http://www.ins.state.ny.us/dprcldoc.htm>

On June 1, 2006, and annually each June 1<sup>st</sup> thereafter, the Disaster Response Questionnaire electronic template should be submitted to the Insurance Department. If none of the information has changed, from a previously submitted report, the date field should be updated and the previous electronic template(s) may be resubmitted.

Insurance Company Disaster Liaisons – by completing the Disaster Response Questionnaire each insurer will be providing the Disaster Preparedness & Response Bureau the name of the designated disaster liaison(s), along with that person’s telephone and cell phone number(s) (for during business and after business hours), email address and/or pager number, if applicable. Any change in the liaison(s)

and/or contact information should be reported immediately to the Insurance Department, by the resubmission of an updated Disaster Response Questionnaire.

Annually, on June 1<sup>st</sup>, the Disaster Response Questionnaire electronic template should be submitted to the Insurance Department. If none of the information has changed, the date field should be updated and the previous electronic template(s) may be resubmitted.

### **3) Business Continuity Plan and Questionnaire**

**This section D(3) on Business Continuity Plan Questionnaires applies to all addressees of this circular letter.**

To assure the Insurance Department that each addressee has taken steps to put in place a Business Continuity Plan that would reasonably ensure that the recovery of critical business processes could take place in the event of a disaster, each addressee is required to complete the Business Continuity Plan Questionnaire electronic template and attest to the accuracy of their answers.

The Business Continuity Plan Questionnaire electronic template and instructions for its completion and submission can be found on the Insurance Department Web site at:

<http://www.ins.state.ny.us/dprcldoc.htm>

On June 1, 2006, and annually each June 1<sup>st</sup> thereafter, the Disaster Response Questionnaire electronic template should be submitted to the Insurance Department. If none of the information has changed, from a previously submitted report, the date field should be updated and the previous electronic template(s) may be resubmitted.

## **E. Operations During a Disaster**

### **1) Insurance Company Disaster Liaisons**

**This section on Insurance Company Disaster Liaisons applies to all addressees of this circular letter.**

Upon the Insurance Department's activation of its IEOC due to a State Emergency Disaster situation, the Superintendent may activate designated Insurance Disaster Liaisons representing several of the largest underwriters in the emergency or disaster areas. Participating companies will be determined based on the previously described Pre-Disaster Reports. Disaster Liaisons will be contacted based upon information submitted in the Disaster Response Questionnaire.

Subsequently, Liaisons should be prepared to participate in the State's Disaster Response Plan as follows:

- A teleconference of the selected disaster liaisons will be held, where possible, following the occurrence of a disaster – prior to the activation of the Department of Insurance Emergency Operations Center (IEOC) – to discuss the magnitude of the disaster and the scope of activation plans.
- Upon activation of the IEOC, Insurance Disaster Liaisons or their designees will be expected to staff the IEOC at either of its two locations: One Commerce Plaza, Albany, NY 12257; or 25 Beaver Street, New York, NY 10004.
- The Insurance Department will provide a fully equipped IEOC for Liaisons' use at either of the aforementioned locations. Included are analog data and voice telephone lines, along with videoconferencing links to the SEMO emergency operations center.
- The Insurance Department will continue to coordinate communications among company and association contacts through ongoing teleconference calls to plan staffing of the IEOC for the actual or threatening (as in the case of hurricanes) emergency; individually discuss with each insurer's liaison the company's catastrophe operations; individually review each insurer's response plans; and discuss catastrophe operations and emerging issues.
- Liaisons may be expected to remain on duty at the IEOC as determined by the Superintendent of

Insurance acting in consultation with coalition partners.

#### Liaison Duties and Responsibilities

Liaisons should:

- Have a qualified back up. Both will preferably be members of the insurer's catastrophe team, or a manager-level employee, who are familiar with company protocols and have access to critical information.
- Provide coverage data and loss statistics as requested by the Insurance Department.
- Transmit information on the disaster from the insurance industry to emergency response officials and also back to other industry representatives.
- Be authorized and knowledgeable in company internal information systems and sources, and authorized to access such systems so that applicable, timely information can be provided to SEMO/NYC OEM and other emergency responders via the Insurance Department.
- Be prepared to remain on duty during the hours when the Emergency Operation Center is operating, normally from 7:00 a.m. to 6:00 p.m., or for such time periods as necessary to assist with the effective management of the disaster. Depending on the level of the disaster this may be a seven-day a week commitment.

## 2) Insurance Adjuster Temporary Permits

**This section on Insurance Adjuster Temporary Permits applies to all addressees of this circular letter.**

Section 2108(n) of the Insurance Law provides that:

"...the superintendent, in order to facilitate the settlement of claims under insurance contracts involving widespread property losses arising out of a conflagration or catastrophe common to all such losses, may issue a temporary permit for a term not exceeding one hundred twenty days to any person whether he be a resident of this state or a non-resident, to act as an independent adjuster on behalf of an authorized insurer, provided any insurer shall execute and file in the office of the superintendent a written application for the permit in the form prescribed by the superintendent, which application shall contain information as he may require and shall certify that the person named therein to be designated in on the temporary permit is qualified by experience and training to adjust claims arising under insurance contracts issued by the insurer. The superintendent may in his discretion renew such permit for an additional term or terms as may be necessary to adjust such claims."

Using this application will enable licensed insurers to certify that the application is submitted for the purposes identified in the law.

The Permit application calls for information regarding the occurrence that necessitates the temporary permit. This enables insurers to apply for temporary permits as soon as a catastrophe hits, rather than waiting for a disaster declaration as was previously required. This temporary licensing procedure will facilitate prompt services to those citizens suffering losses.

Insurers may complete their temporary adjuster permit applications on-line at:

<http://www.ins.state.ny.us/atiapfm.htm>

Insurers completing their temporary adjuster permit applications on-line will receive their permits via facsimile.

Alternatively, hardcopy permit applications may be downloaded from the Insurance Department's Web site listed at:

<http://www.ins.state.ny.us/acrobat/temprrmt.pdf>

A completed (hardcopy) application should be sent by facsimile to the Insurance Department's Licensing Services Bureau at (518) 474-5048, where it will be reviewed and acted upon immediately. A temporary permit will be faxed to the insurer submitting the application.

### **3) Hurricane / Windstorm Deductibles**

**This section on Insurance Hurricane / Windstorm Deductibles is addressed to all property/casualty insurers.**

Insurers are requested to notify the Insurance Department whenever they activate, or may activate, their Hurricane / Windstorm Deductible as a result of a certain storm or event. When available, they may use the Insurance Disaster Coalition e-mail address ([nys\\_insurance\\_disaster\\_coalition@ins.state.ny.us](mailto:nys_insurance_disaster_coalition@ins.state.ny.us)); or they may notify the Insurance Department via facsimile, at (518) 486-1503, attention Salvatore Castiglione or Paul Orkwis.

## **F. After a Disaster**

### **Post Disaster Coverage Data and Loss Statistics**

Depending on the type of emergency encountered, in the ensuing days after a disaster, Liaisons will be required to provide specific statistics from each insurer. These statistics will be periodically updated on an as needed basis, but not less than monthly.

Reports will be consolidated by Insurance Department staff for submission to SEMO and the Governor's office only.

**This section is addressed to all property/casualty insurers identified in Section D(1) of this circular letter.**

Property/casualty insurers will submit reports covering the following:

- Commercial insurance data
- Personal insurance data
- Number of available adjusters.
- Other aspects of catastrophe claim operations and customer service issues.

The Post Disaster Coverage Data and Loss Statistics electronic template and instructions for completing and submitting it can be found on the Insurance Department Web site at:

<http://www.ins.state.ny.us/dprcldoc.htm>

## **G. Miscellaneous Items**

**This section on Miscellaneous Items applies to all addressees of this circular letter.**

### **1) Confidentiality**

All of the above reports and statistics are to be compiled and summarized by Insurance Department personnel for internal Insurance Department use. Reports submitted to SEMO and the Governor will be on an aggregate basis with no individual company information identified in those reports.

At the time of submission, an insurer should request an exception from disclosure under Section 89(5) of the Public Officers Law (Freedom of Information Law- FOIL) for any information or reports that it submits to the Insurance Department that it believes are trade secrets or commercial information that, if disclosed, would cause substantial injury to its competitive position.

In the event that a request is received by the Insurance Department for the release of information pursuant to FOIL and the insurer requested an exception from disclosure upon submission, the insurer will be notified and given the opportunity to respond to the Insurance Department in accordance with FOIL and Regulation 71 (11 NYCRR 241.6).

## 2) Communications Network

Insurance industry representatives of the NYS Insurance Disaster Coalition are requested to provide the Insurance Department with Internet links of not-for-profit web sites that are beneficial to the public before, during and after a disaster.

Your cooperation in furnishing timely and accurate responses is essential to the success of the New York State Insurance Disaster Coalition and is appreciated by the Insurance Department and the people of New York State.

Very truly yours,

---

Howard Mills  
Superintendent of Insurance

### Additional Guidance on Creating a Disaster Response Plan

#### PROPERTY/CASUALTY INSURERS

If your Disaster Response Plan provides answers to the following questions, it will generally have met the Disaster Response Bureau's best practices standards for a disaster response plan.

#### Management Oversight:

1. Does the Company have a Disaster Response Plan?
2. Is it a written Plan?
3. Has the Plan been reviewed and approved by:
  - a) Senior Management?
  - b) Board of Directors?
4. Has the Company provided a copy of the board resolution attesting to the approval of the Plan by the board of directors?
5. Has Management identified additional resources that will be needed during a disaster?
6. Has Management analyzed its ability to provide the financial resources necessary to meet the cost of the additional resources that will be needed?
7. Is a person/titled position named as being responsible for activating the Plan after a disaster is declared?
8. Is a person/titled position named as being responsible for monitoring the Plan?
9. Is a person/titled position named as being responsible for terminating the Plan following a disaster?

#### General Information:

1. Does the Plan define what constitutes a disaster?
2. Are there clear guidelines to indicate when the Disaster Response Plan should be invoked?

3. Has the Company established a disaster response team?
4. Are the responsibilities of the disaster response team members segregated to establish clear reporting authority?
5. Does the Plan indicate that there is a role for designated "disaster liaison" and/or back-up liaison?
6. Does the plan indicate that the designated "disaster liaison" and/or back-up liaison have been advised of their duties?
7. Does the Plan provide for training of staff?
8. Has the Company established varying levels of response based on the severity of the disaster?

**Claimant Services:**

1. Is the role of the insurance agent/broker in a Disaster defined?
2. Has the Company established a separate toll-free number to be used by claimants?
3. Has the Company established procedures to increase the number of adjusters?
4. Has the Company analyzed the risk of its inability to respond to claimants in a timely manner?
5. Has the Company established expedited claim processing procedures?
6. If the Company plans to use simplified claim reporting forms, do these claim forms include the required fraud warning statement?

**Fraud Detection:**

1. Does the Plan include procedures for detecting fraud?
2. Does the Plan include procedures for reporting fraudulent activity to the appropriate regulatory authorities?

**Testing of Plan:**

1. Has the Plan been tested?
2. Does the Plan indicate when the last test was conducted?
3. Does the Plan indicate how often will the Plan be tested?
4. Did the testing include the ability to get resources to the disaster site?
5. Has the Plan been tested utilizing scenarios involving varying disaster levels?
