Accumulation-type Annuity Formatting

We have decided that we will not require the specific format for the accumulation-type annuity inforce extract.

We will still require that the applicable detail specified in item I-10 (page 4) of the Instructions for Filing Valuations be submitted electronically and include a description of the header records.

We realize that contracts such as group annuities and GIC's will have less applicable fields than individual deferred annuities, but we will still require fields applicable to those blocks to be submitted.

Questions concerning this letter should be directed to Fred Andersen, Supervising Actuary – Life) who may be reached via Email (preferred) at ablif@ins.state.ny.us or by phone at (518) 474 – 6605.
