Dear Superintendent Lawsky and General Counsel Syracuse,

I'm writing you today to express a concern about the high cost of compliance with the "BitLicense" proposal. I am in the process of starting a grassroots urban farming/gardening company that will use Bitcoin for payment processing, and if the current "BitLicense" proposal is implemented in its current form, I will not conduct business with New York citizens due to the elevated cost of record-keeping.

Sincerely,

-Nick Edwards
