Re: CALL FOR SPECIAL REPORT PURSUANT TO SECTION 308, NEW YORK INSURANCE LAW: MEDICAL MALPRACTICE INSURANCE NET DIRECT PREMIUMS WRITTEN IN NEW YORK

Dear Company Representative,

Department Regulation No. 170 (11 NYCRR 430), promulgated pursuant to Section 5502(c) of the Insurance Law, established the New York Medical Malpractice Insurance Plan ("Plan") and requires all insurers licensed in New York and writing medical malpractice insurance on a direct basis to be members of the Plan. Eligible health care practitioners and facilities unable to obtain coverage in the voluntary market will be assigned to members of the Plan writing the applicable class of coverage.

In order for us to determine whether your company is required to participate as a member of the Plan, please complete the survey questionnaire, which is posted on this Department's website (https://www.dfs.ny.gov/apps_and_licensing/property_insurers/ny_medical_malpractice_insurance_plan). Please carefully read the filing instructions in the "Instructions_MMIP" file, which has been revised and updated for this year, and respond to all questions and instructions in the Excel report file (m308rept.xls). The information in the report file will also be used to determine, among other items, your proportionate voting rights and share of the writings, expenses, servicing allowance, capital charges, management fees and losses of the Plan.

Insurers that have written premiums in Calendar Year 2021 for classifications of business written by the Plan (as indicated in the report format) should be reporting premiums attributable to the Plan during Calendar Year 2021 and should be including the amount of those premiums in both their Annual Statement reporting and this special report.

Please e-mail your completed Report file to the Department at MMIPsurvey@dfs.ny.gov.

Your response to this data call is due by **May 9, 2022**. If you have any questions regarding completion of the requested data, please contact Ms. Ying Victoria Ng by e-mail at YingVictoria.Ng@dfs.ny.gov.

Very truly yours,

Stephen Doody
Deputy Superintendent
Property Bureau
