¹ This chart summarizes Gen. Assessment charges for 2014-15 fiscal year. Institution size is as of 09/30/13 for depositories and money transmitters and 12/31/12 for all other licensed institutions.

² The hourly rate is determined by averaging the salaries and fringe costs of all examiners supervising each type of entity. For this figure, the Department uses staffing assigned to these units in January 2014.

³ The percentage of the Total Assessment Bill for each industry is forecast for the coming year and determined by the salary and fringe of examiner and specialist employees assigned to those industry groups.

⁴ Institutions in this category with multiple entities regulated by the Banking Department will receive one bill.

⁵ Asset figures for all institutions have been rounded to millions which may give rise to a variation from the stated rates
