February 5, 2016

Madam:

Pursuant to the requirements of the New York Insurance Law, and in compliance with the instructions contained in Appointment Number 31385 dated October 7, 2015, attached hereto, I have made an examination into the condition and affairs of Barclay Insurance U.S., Inc. as of December 31, 2014, and submit the following report thereon.

Wherever the designation "the Company" appears herein without qualification, it should be understood to indicate Barclay Insurance U.S., Inc. Wherever the designation "the Parent" appears herein without qualification, it should be understood to indicate Barclay Group US, Inc.

Wherever the term "Department" appears herein without qualification, it should be understood to mean the New York State Department of Financial Services.

1. SCOPE OF EXAMINATION

The examination covers the period from the Company's incorporation on October 2, 2009 through December 31, 2014, and was limited in its scope to a review or audit of only those balance sheet items considered by this Department to require analysis or verification. Transactions occurring subsequent to this period were reviewed where deemed appropriate. The examination included a review of Company records deemed necessary to accomplish such analysis or verification. Additionally, a review was performed to determine whether the captive insurer was operating within its by-laws, conforming with its plan of operation as submitted to the New York State Department of Financial Services, and was in compliance with Article 70 of the New York Insurance Law (the Law).

Comments and recommendations are limited to those items requiring financial adjustment, procedural recommendations, or instances where the Company was not conforming to the application submitted to the Department or Article 70 of the Law.

The report utilized work performed by the Company's independent certified public accountants and its opining actuary to the extent considered appropriate.

2. DESCRIPTION OF COMPANY

The Company was incorporated under the laws of New York State as a captive insurance company and commenced business on November 3, 2009. The Company is a wholly-owned subsidiary of Barclays Group U.S., Inc. which is in turn a wholly-owned subsidiary of Barclays Bank PLC, an international financial institution.

Barclays Bank PLC, together with its subsidiaries, provides financial services throughout the Americas, Europe, Africa, Asia and the Middle East. They offer personal banking, mortgages, wealth and investment management, and corporate banking services. In addition, they provide wholesale, retail and business banking, investment banking and insurance services.

A. Articles of Incorporation

The Company is organized to transact the kinds of insurance specified in Section 1113(a) of the New York Insurance Law, subject at all times to the limitations on the business of pure captive insurance companies set-forth in Article 70 of the Law.

B. By-Laws

The examination found the Company to be in compliance with its by-laws in all material respects.

C. Capital Structure

As a pure captive insurance company incorporated as a stock insurer, the Company is required to maintain surplus as regards policyholders of not less than \$250,000, of which \$100,000 shall represent paid-in capital, pursuant to the provisions of Section 7004(a)(1) of the Law.

As of December 31, 2014, the Company's paid-in capital was \$3,000,000, consisting of 1,000 shares of \$100 par value per share common stock and an additional paid-in capital amount of \$2,900,000. The Company had accumulated retained earnings of \$1,421,995 for a total capital and surplus of \$4,421,995.

D. Corporate Records

The corporate records reviewed appeared to be substantially accurate and complete in all material respects.

E. Operations

During the period covered by this examination, the Company provided terrorism insurance protection to the Parent and its affiliates. The Company is eligible for federal backstop protection through the Terrorism Risk Insurance Program Reauthorization Act of 2007 (TRIPRA). Under this program, property and casualty insurers providing coverage for incidents of international and domestic terrorism are effectively reinsured by the federal government. Coverage under TRIPRA is triggered once a loss has been incurred from a Certified Act of Terrorism (a terrorist act meeting a criteria described in TRIPRA and certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the U.S. Attorney General). As of the examination date, the federal

government reimburses the captive insurer for 85% of losses from a Certified Act of Terrorism, after aggregate insured losses across all impacted insurers exceed a stipulated threshold and insurers absorb a statutorily established deductible.

Non-Certified Acts of Terrorism are those that do not meet the criteria for a certified act and are not covered under TRIPRA.

TRIPRA, signed into law on December 26, 2007, extends the federal terrorism insurance backstop through December 31, 2014. It keeps in place the basic framework of the Terrorism Risk Insurance Act (TRIA) which was enacted in 2002. TRIA was extended in 2005 as the Terrorism Risk Insurance Extension Act before being reauthorized as TRIPRA. Subsequent to the examination date, on January 12, 2015, the Terrorism Risk Insurance Program Reauthorization Act of 2015, which extends the federal backstop program for an additional six years through December 31, 2020, was signed into law.

Effective November 8, 2014, with respect to physical loss or damages arising as a result of Certified Acts of Terrorism, the Company's maximum liability was \$2,143,530,680 per occurrence and in the aggregate, subject to a \$100,000 deductible. For Non-Certified Acts of Terrorism, the Company's maximum liability was \$321,529,629 in excess of \$250,000,000, per occurrence. The policy expires on November 8, 2016. The Company cedes 100% of losses resulting from Non-Certified Acts of Terrorism to unaffiliated reinsurers.

In addition to terrorism insurance the Company provides Excess Property Damage and Business Interruption coverage to the Parent and its affiliates with limits of \$477,000,000 in excess of \$1,273,000,000, per occurrence. The coverage does not have an aggregate limit. The Company cedes 100% of the risk to unaffiliated reinsurers. As of the examination date, the ceded reinsurance program was structured as follows:

Coverage	Reinsurer limits	Reinsurers
Excess Property	\$127,000,000 xs \$1,273,000,000	HDI Gerling(UK) (18%) Lloyds of London Syndicates (82%)
Excess Property	\$350,000,000 xs \$1,400,000,000	AIG Europe Limited London (100%)
