Honorable Linda A. Lacewell
Acting Superintendent of Financial Services
New York, New York 10004

Madam:

In accordance with instructions contained in Appointment No. 31751, dated April 13, 2018 and annexed hereto, an examination has been made into the condition and affairs of the Segregated Gift Annuity Fund of the WNET, hereinafter referred to as “the Fund.” The Fund’s home office is located at 825 Eighth Avenue, New York, NY 10019.

Wherever “Department” appears in this report, it refers to the New York State Department of Financial Services.

The report indicating the results of this examination is respectfully submitted.
1. EXECUTIVE SUMMARY

The examiner recommends that the board of trustees, or a committee thereof, review the activities of the Fund at least annually and note the same in the minutes. (See item 3C of this report)

The examiner recommends that the board of trustees, or a committee thereof, approve the purchases and sales of all investments and note such approvals in the minutes. (See item 3C of this report)

The examiner recommends that the Fund obtain broker’s advices or other supporting documentation for its investment transactions and that this documentation be reviewed on a timely basis and reconciled to the applicable custodial statements for that period. (See item 3C of this report)

The examiner recommends that the Fund adopt an Investment Strategy Statement (“ISS”) that references the prudent investor standard as defined in Section 11-2.3 of the Estates, Powers and Trusts Law, which standard, as specified in Section 1110(b) of the New York Insurance Law, governs the manner in which the required admitted assets of a segregated gift annuity fund shall be invested. The Fund should exercise reasonable care, skill and caution to make and implement investment and management decisions as a prudent investor would for the entire portfolio. In doing so, the Fund should take into account present and future distributions to or for the beneficiaries and create a plan to meet the needs of those distributions to establish the ISS’s risk, return, and time horizon objectives. (See item 3C of this report)

The examiner recommends that the Fund strengthen the diversification of its investment holdings. If the trustee has determined that it is in the interests of the beneficiaries not to diversify, then it should memorialize the reasons for that determination in terms of the ISS’s risk, return, and time horizon parameters. (See item 4 of this report)

The examiner recommends that the Fund avoid or mitigate situations that have the appearance of a conflict of interest, by paying greater scrutiny to any high concentrations in investments that are either issued or sponsored by the investment advisor and establishing a Board of Directors (or a committee thereof) or senior management-level policy or procedures related to conflicts of interest for investment advisors. (See item 4 of this report)
The examiner recommends that upon the death of an annuitant, the Fund obtain and maintain a death certificate or other reliable documentary evidence that supports such information terminating an annuity contract. (See item 5 of this report)
2. SCOPE OF EXAMINATION

This is the first examination of the Fund since it received its special permit to issue gift annuity agreements in 2013. This examination covers the period from June 14, 2013 through December 31, 2017. As necessary, the examiner reviewed transactions occurring subsequent to December 31, 2017 but prior to the date of this report (i.e., the completion date of the examination).

The examination comprised a verification of assets and liabilities as of December 31, 2017 to determine whether the Fund’s filed 2017 annual statement fairly presents its financial condition. The examiner reviewed the Fund’s income and disbursements necessary to accomplish such verification.

This report on examination is confined to financial statements and comments on those matters which involve departure from laws, regulations, or rules or which require explanation or description.
3. DESCRIPTION OF FUND

A. History

The WNET (the “Corporation”) is organized for the purpose of bringing quality arts, education and public affairs programming to over five million viewers each week. The Corporation was consolidated with THIRTEEN on June 30, 2013. The Corporation established a program to issue gift annuity agreements in return for gifts from donors, and it has done so since 2013. A permit was granted to the Corporation, by the Department on June 14, 2013 for the purpose of issuing gift annuity agreements as specified in Section 1110 of the New York Insurance Law.

B. Services

BNY Mellon is the custodian of the Fund. The custodian is authorized to provide investment management, certain gift and trust administration and reporting services. The Fund solicits new business, issues annuity agreements and controls annuity terminations.

Dan O’Connell, CPA, provides accounting and tax services, prepares annual statements and performs other financial services.

C. Corporate Governance

The management of the Corporation and the Fund and all of its affairs and property are entrusted to a board of trustees. The number of trustees is limited to no less than 5 and no more than 55 regular voting trustees. As of December 31, 2017, the board consisted of 34 trustees. The trustees elect the Chairman of the Board, Vice-Chairman, a President, such Vice-President(s) as determined by the board, a Secretary, a Treasurer, and such assistant secretaries and treasurers as the board may from time to time designate. The nomination and election procedures of the trustees and their terms of office are set by the by-laws.

The examiner requested the minutes of the board of trustees and all committees thereof for the examination period. The Fund provided the examiner with a copy of the board minutes for the board meetings conducted in 2013 and 2017 only.
The examiner recommends that the board of trustees, or a committee thereof, review the activities of the Fund at least annually and note the same in the minutes.

The examiner reviewed the board of trustees’ minutes to determine whether the board approved the purchases and sales of investments during the examination period. The minutes did not contain any indication that the board approved the purchases and sales of investments during the examination period.

The examiner recommends that the board of trustees, or a committee thereof, approve the purchases and sales of all investments and note such approvals in the minutes.

The examiner reviewed the investment transactions for the period under examination and noted that the Fund did not obtain broker’s advices or other supporting documentation for its investment transactions to reconcile such advices to the monthly statements furnished by the custodian.

The examiner recommends that the Fund obtain broker’s advices or other supporting documentation for its investment transactions and that this documentation be reviewed on a timely basis and reconciled to the applicable custodial statements for that period.

The examiner’s review of the Fund’s Investment Strategy Statement revealed that it failed to refer to the prudent investor standard as defined in Section 11-2.3 of the Estates, Powers and Trusts Law.

The examiner recommends that the Fund adopt an Investment Strategy Statement that references the prudent investor standard as defined in Section 11-2.3 of the Estates, Powers and Trusts Law, which standard, as specified in Section 1110(b) of the New York Insurance Law, governs the manner in which the required admitted assets of a segregated gift annuity fund shall be invested. The Fund should exercise reasonable care, skill and caution to make and implement investment and management decisions as a prudent investor would for the entire portfolio. In doing so, the Fund should take into account present and future distributions to or for the beneficiaries and create a plan to meet the needs of those distributions to establish the ISS’s risk, return, and time horizon objectives.
4. SIGNIFICANT FINANCIAL INFORMATION

The following summary table indicates the decline in various categories of the Fund’s assets, liabilities, and fund balance during the period under review:

<td>$(2,143,524)</td>
</tr>
<tr>

<td></td>
<td></td>
</tr>
</tbody>
</table>

The decrease in assets, liabilities and annuity fund balance reflects a decrease in the total number of annuities in force. Annuities decreased from 353 with annual payment amounts of $677,610 as of December 31, 2013 to a total of 311 with annual payment amounts of $567,230 as of December 31, 2017.

The Fund’s admitted assets, as of December 31, 2017, were invested mainly in bonds (65.33%), and common stocks (31.59%).

Section 1409(a) of the New York Insurance Law states,

“(a) Except as more specifically provided in this chapter, no domestic insurer shall have more than ten percent of its admitted assets as shown by its last statement on file with the superintendent invested in, or loaned upon, the securities (including for this purpose certificates of deposit, partnership interests and other equity interests) of any one institution.”

Per the 2017 annual statement, the Fund reported: 19.11% of its admitted assets invested in “BNY MELLON LARGE CAP STOCK FUND”. The Fund’s current concentration in this mutual fund could make it less likely that the Fund’s other assets can provide a variability to offset the risks inherent in this fund.
Based upon the concentrations in the above stock fund, the examiner recommends that the Fund strengthen the diversification of its investment holdings. If the trustee has determined that it is in the interests of the beneficiaries not to diversify, then it should memorialize the reasons for that determination in terms of the ISS’s risk, return, and time horizon parameters. A trustee using reasonable care, skill and caution should diversify the Fund’s assets. A diversification is proper when it disperses the investments’ risks consistent with the Investment Strategy Statement’s risk, return, and time horizon objectives, and the various risks in the portfolio offset each other. Section 1409 of the New York Insurance Law is instructive. Limiting exposure to any assets of any one institution to ten percent of admitted assets would reasonably assure that the risks in the investment in that institution are offset by the rest of the portfolio.

Per the 2017 annual statement, the Fund reported 31.59% of its admitted assets invested in BNY Mellon securities. BNY Mellon also serves as the Fund’s investment advisor. This relationship may create a conflict of interest that can negatively impact the interests of the Fund’s annuitants.

The examiner recommends that the Fund avoid or mitigate situations that have the appearance of a conflict of interest, by paying greater scrutiny to any high concentrations in investments that are either issued or sponsored by the investment advisor and establishing a Board of Directors (or a committee thereof) or senior management-level policy or procedures related to conflicts of interest for investment advisors.
5. TREATMENT OF ANNUITANTS

The examiner reviewed a sample of annuity files to determine whether the annuitants were treated fairly and in accordance with the provisions of the annuity agreements. The examination also consisted of a review of the various controls involved, a check of the accuracy of the computations and the tracing of accounting data to the books of account.

The examiner’s review of a sample of terminated files revealed that in 7 out of 20 cases (35%), the Fund did not obtain a copy of the death certificate or other reliable documentary evidence that supports such information terminating an annuity contract.

The examiner recommends that upon the death of an annuitant, the Fund obtain and maintain a death certificate or other reliable documentary evidence that supports such information terminating an annuity contract.
