C. Reinsurance

Intercompany Pooling Agreement

Effective October 1, 2006, the Company and eight other affiliates participate in an intercompany pooling agreement, the Chubb Group Reinsurance Pool ("the Pool"). This agreement covers substantially all business, with the exception of foreign business, the run-off of an old aircraft voluntary pool and certain asbestos and environmental losses from policies written by Pacific Indemnity Company prior to its acquisition. Federal Insurance Company is the lead insurer with a 68.5% participation in the Pool.

The Chubb Group Reinsurance Pool differs from traditional pooling agreements where participants cede all of their business to a lead reinsurer, who then retrocedes back to each pool participant according to their pool participation percentage. In the Chubb Group Reinsurance Pool, each participating company retains a percentage of its direct business equal to its pool participation percentage and cedes the remainder to the other pool participants. Each participating company also assumes its participation percentage from each of the other pool participants. Although the methodology utilized by the Pool differs from a "traditional" pooling agreement, the net financial results are identical.

The Company has a 0.5% share in the pool. The following chart shows the other Pool participants, their participation percentage, the ceded premiums to each, and the reinsurance recoverable due from each, as reported in the Company's 2016 Schedule F:

<u>Pool Participants</u>	<u>Pooling Participation Percentage</u>	<u>Ceded Premiums</u>	<u>Reinsurance Recoverable</u>
FIC	68.5%	\$300,861,000	\$501,953,000
PIC	17.0%	\$ 74,663,000	\$124,572,000
ERII	8.0%	\$ 35,136,000	\$ 58,621,000
GNIC	4.0%	\$ 17,568,000	\$ 29,311,000
CCIC	0.5%	\$ 2,196,000	\$ 3,662,000
CNIC	0.5%	\$ 2,196,000	\$ 3,662,000
ERSIC	0.5%	\$ 2,196,000	\$ 3,662,000
VIC	0.5%	\$ 2,196,000	\$ 3,662,000

The remaining three Chubb Group members, which are non-participants in the pooling agreement, cede 100% of their business to one of the other companies within the Chubb Group. This business is then included within the Chubb Pool. Texas Pacific Indemnity Company cedes 100% of its business to PIC, Chubb Insurance Company of New Jersey cedes 100% of its business to FIC and Chubb Lloyds Insurance Company of Texas cedes 100% of its business to GNIC.

The intercompany pooling agreement was submitted to and approved by the Department pursuant to the provisions of Section 1505(d) of the New York Insurance Law.

20% Net Liabilities Quota Share Reinsurance Agreement

Effective January 2016, the Company entered into a net liabilities quota share reinsurance agreement with affiliate, ACE P&C where the reinsurer accepts a 20% pro rata quota share of the Company's net liability for losses occurring, claims made or claims discovered subject to the following loss limits:

- (i) aggregate accident year loss ratio cap of 150% of Net Earned Premium, gross of ceding commission; once such loss ratio cap is breached, the reinsurer shall have no further liability hereunder;
- (ii) the reinsurer's 20% pro rata share of \$500,000,000 (or \$100,000,000) for all Losses arising out of one Loss Occurrence as that term is defined in the relevant external property catastrophe reinsurance agreements to which the Company is a party.
- (iii) the reinsurer's 20% pro rata share of \$500,000,000 (or \$100,000,000) for all Losses in the aggregate with respect to "Acts of Terrorism" or "cyber risk", both as defined in the relevant external reinsurance agreements to which the Company is a party.

Subsequent to the examination period, effective January 1, 2017, the Company amended the net liabilities quota share agreement to reflect the following: the pro rata quota share percentage increases from 20% to 35%. As a result of such pro rata quota share increase, the per Loss Occurrence, cyber risk and Acts of Terrorism limits in the agreement also have increased in the same proportion, from \$100,000,000 to \$175,000,000. In addition, the Net Earned Premium ceded under the Agreement has also changed from 20% to 35% to reflect this new increased cession.

The Company also participated in Chubb Limited's core property catastrophe reinsurance program. This program provides protection against natural catastrophes impacting primary property operations.

In 2016, the Company ceded approximately \$456,290,000 in premiums. Per the terms of the intercompany pooling agreement, approximately \$437,012,000 was ceded to pool members. Approximately \$14,171,000 was ceded to non-pool affiliates, ACE Property & Casualty Insurance Company ("ACE P&C") and ACE American Insurance Company ("ACE American"), which have authorized insurer status. Approximately \$4,876,000 was ceded to external non-affiliated reinsurers as follows: \$2,861,000 (Authorized), \$1,285,000 (Unauthorized) and \$730,000 (Certified). The remaining \$231,000 was ceded to unauthorized affiliated reinsurers.

The vast majority of the recoverable amounts reported on Schedule F – Part 3 are not collateralized due to the authorized insurer status of all reinsurers. It is noted that the reinsurance recoverables from FIC (307% of surplus) and PIC (76% of surplus) are the Company's most significant financial items and ultimately, the Company's most significant financial risk is its ability to collect on the reinsurance recoverables. It is noted that FIC and PIC were examined concurrently with the Company and that there were no financial adjustments that impacted the surplus of those companies as a result of the examination.

The quota share reinsurance agreement with affiliate, ACE P&C was reviewed for compliance with Article 15 of the New York Insurance Law. It was noted that the agreement was filed with the Department pursuant to the provisions of Section 1505(d)(2) of the New York Insurance Law.

The intercompany pooling and net liabilities quota share agreements in effect as of the examination date were reviewed and found to contain the required clauses, including an insolvency clause, meeting the requirements of Section 1308 of the New York Insurance Law.

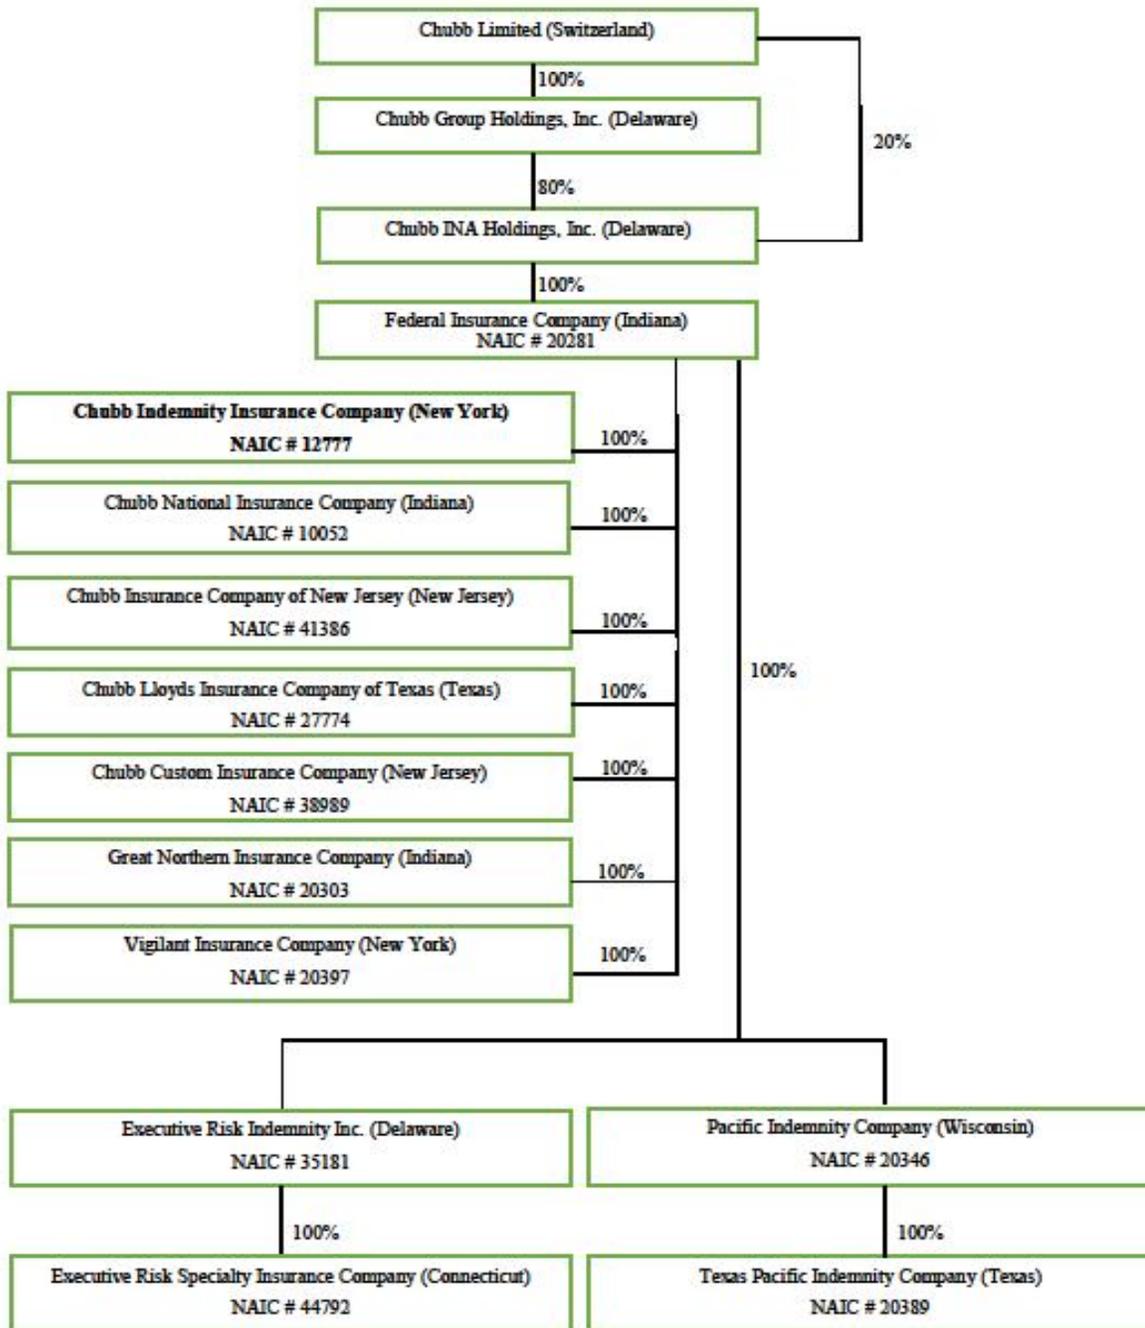

Examination review found that the Schedule F data reported by the Company in its filed annual statement accurately reflected its reinsurance transactions. Additionally, management has represented that all material ceded reinsurance agreements transfer both underwriting and timing risk as set forth in SSAP No. 62R. Representations were supported by an attestation from the Company's Chief Executive Officer and Chief Financial Officer pursuant to the NAIC Annual Statement Instructions. Additionally, examination review indicated that the Company was not a party to any finite reinsurance agreements. All ceded reinsurance agreements were accounted for utilizing reinsurance accounting as set forth in SSAP No. 62R.

D. Holding Company System

Effective January 15, 2016, the Company is included in a U.S. consolidated federal income tax return with direct and indirect subsidiaries of Chubb Group Holdings, Inc. The agreement provides that any subsidiary having taxable income will pay a tax liability equivalent to what that subsidiary would have paid if it had filed a separate federal income tax return for the year. If the separately calculated federal income tax return for any subsidiary results in a tax loss, the current tax benefit resulting from such loss, to the extent utilizable on a separate return basis, will be paid to that subsidiary.
