Personal lines coverages focus on middle to upper-middle income individuals who own homes and own/lease automobiles. Business is generated through approximately 650 independent agents. C. Reinsurance

Assumed

Assumed reinsurance accounted for 19% of the Company's gross premium written at December 31, 2008. The Company's assumed reinsurance program consists mainly of its participation in the intercompany pooling agreement noted below. Additionally, the Company's participation in various mandated pools is reflected in its assumed reinsurance activity.

Effective January 1, 2007, MMIC, MNIC and the Company became parties to a reinsurance pooling agreement ("Merchants Pooling Agreement"), whereby the three companies agree to pool their traditional insurance business. Under the terms of the agreement, MNIC and the Company cede to MMIC all of their premiums, losses and underwriting expenses and then assume from MMIC a percentage of the pooled business. MMIC, MNIC and the Company's shares of the pooled business are 70%, 20% and 10%, respectively.

The Company utilizes reinsurance accounting as defined in the NAIC Accounting Practices and Procedures Manual, Statement of Statutory Accounting Principles ("SSAP") No. 62 for all of its assumed reinsurance business.

Ceded

The Company structured its ceded reinsurance program on its direct business to limit its maximum exposure through various excess of loss and quota share reinsurance treaties. The Company utilizes facultative reinsurance for policies with limits exceeding a threshold specific to each product line. The Company also purchased catastrophe reinsurance covering property and workers' compensation. The following is a description of the Company's ceded reinsurance program in effect at December 31, 2008:

Type of treaty

<u>Monoline Commercial Umbrella Liability</u> Quota Share 100% Authorized	Cede 90% quota share of the first \$1,000,000 each occurrence, and 100% of amounts in excess of \$1,000,000 resulting from each occurrence not exceeding \$10,000,000.

In addition to its treaty reinsurance program, the Company also obtained automatic facultative reinsurance coverage in addition to its basic coverage for property losses. The facultative treaty will provide coverage of \$13,000,000 excess of \$7,000,000.

The ceded reinsurance agreements in effect as of the examination date were reviewed and found to contain the required standard clauses, including an insolvency clause meeting the requirements of Section 1308 of the New York Insurance Law.

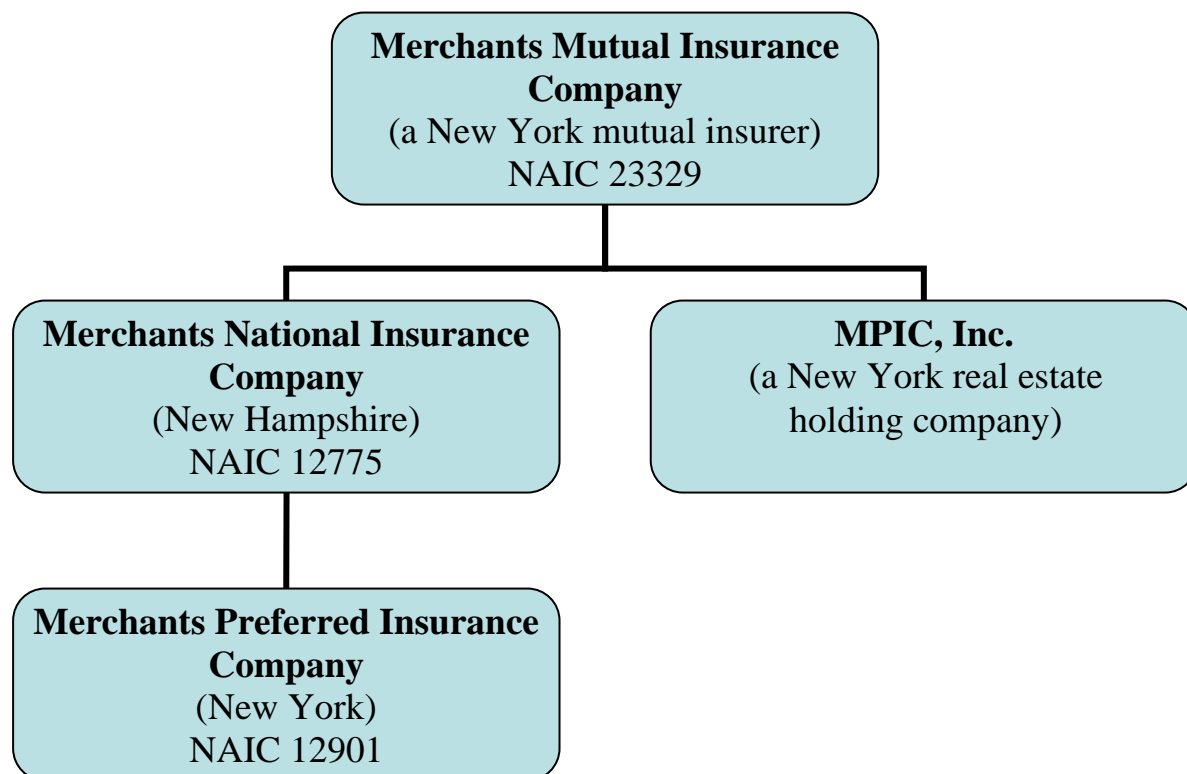

Examination review of the Schedule F data reported by the Company in its filed annual statement was found to accurately reflect its reinsurance transactions. Additionally, management has

represented that all material ceded reinsurance agreements transfer both underwriting and timing risk as set forth in SSAP No. 62. Representations were supported by appropriate risk transfer analyses and an attestation from the Company's Chief Executive Officer pursuant to the NAIC Annual Statement Instructions. Additionally, examination review indicated that the Company was not a party to any finite reinsurance agreements. All ceded reinsurance agreements were accounted for utilizing reinsurance accounting as set forth in SSAP No. 62.

D. Organization Chart

The Company is a member of the Merchants Insurance Group. The Company is 100% owned by MNIC, a New Hampshire corporation, which is ultimately controlled by MMIC. As the Company's ultimate parent is a mutual insurer, the Company is not subject to the provisions of Article 15 of the New York Insurance Law. However, the Company is required to submit an annual holding company registration statement with this Department pursuant to the provisions of Circular Letter 16 (2009). The Company made the required filings on a timely basis.

The following is an organization chart of the Company and its affiliated entities at December 31, 2008:

At December 31, 2008, the Company was party to the following agreements with other members of its holding company system:

Management Agreement

Effective October 18, 2006, the Company entered into a management agreement with MMIC and MNIC. Pursuant to the terms of the agreement, MMIC agreed to provide the Company and MNIC with facilities, management and personnel required to operate their business. This agreement was approved by the Department.

Tax Allocation Agreement

Effective October 18, 2006, the Company became a party to a federal income tax sharing agreement with the other members of its holding company system, which formed a consolidated group. Pursuant to the terms of the agreement, the parties will file a consolidated federal income tax return. The agreement provides that the Company's tax liability on a consolidated basis will not exceed the liability had it filed its tax return on a stand alone basis. This agreement was filed with the Department.

Department Circular Letter No. 33 (1979) states in part:

“To help assure the domestic insurer's enforceable right to recoup federal income taxes in the event of future net losses an escrow account consisting of assets eligible as an investment for the domestic insurer shall be established and maintained by the parent in an amount equal to the excess of the amount paid by the domestic insurer to the parent for federal income taxes over the actual payment made by the parent to the Internal Revenue Service”.

Pursuant to Department Circular Letter No. 33 (1979), this provision would help assure the related insurers' enforceable right to recoup federal income taxes in the event of future net losses. During the review of this agreement the Company advised that no escrow account is established as stated therein.

It is recommended that the Company comply with the provision of its approved tax allocation agreement and Department Circular Letter No. 33 (1979) and have its parent establish an escrow account to assure the Company's enforceable right to recoup federal income taxes in the event of future losses.

License and Renewal Rights Agreement

On March 30, 2007, MGI (former subsidiary of the MMIC) consummated an agreement and plan of merger with American European Group, Inc. (“AEG”), a Delaware Corporation, and American European Financial, Inc., a newly-formed Delaware corporation that is a wholly owned subsidiary of AEG (“Merger Sub”), pursuant to which, Merger Sub merged with and into MGI with MGI surviving the merger. At the completion of the merger, MGI became a wholly-owned subsidiary of AEG. As part of the merger, and pursuant to an agreement entered into in December 2006 by and among the Company, MMIC, MPIC Inc., MGI, MNH and AEG, MNH sold the renewal rights to all its traditional business to MPIC Inc. The agreement is effective for twenty-four months from its effective date of August 9, 2007.

The license and renewal agreement allowed:

- (a) MNH to grant MPIC Inc. an exclusive license and authorized MPIC Inc. and any of its insurance subsidiaries to use and access policy, insured, agent, and producer data related to in-force policies of MNH.
- (b) The Pooling agreement between MMIC and MNH/AEIC (the “AEIC Pooling Agreement”) to continue through December 31, 2009 during which time the respective shares of pooled premiums, losses and loss adjustment expenses (“LAE”) incurred remain at 75% for MMIC and 25% for MNH/AEIC.
- (c) The underwriting and claims annexes of the services agreement to continue through the term of the AEIC Pooling Agreement.
- (d) MGI and MNH to change their corporate and trade names to delete all references to “Merchants” and cease to use the Merchants name. MNH has since changed its name to American European Insurance Company.

A review of Company’s investment portfolio as of the exam date indicated that it did not have the minimum capital investments as required by Section 1402(a) of the New York Insurance Law.

It is recommended that the Company comply with Section 1402 of the New York Insurance Law. Prior to the conclusion of the examination, the Company purchased a United States Treasury Note with a par value of \$2,000,000 and is now in compliance of with Section 1402(a) of New York Insurance Law.

4. LOSSES AND LOSS ADJUSTMENT EXPENSES

The examination liability for the captioned items of \$9,198,783 is the same as reported by the Company as of December 31, 2008. The examination analysis was conducted in accordance with generally accepted actuarial principles and practices and was based on statistical information contained in the Company's internal records and in its filed annual statements.

Upon review of the Actuarial Report ("Report") underlying the Company's reported loss and loss adjustment expense reserves, it was found that the Report was not clearly documented and the exhibits underlying the analysis were not easily mapped to the top-level summary exhibits and the Actuary's conclusions. Therefore, the Report did not meet the NAIC requirement to "provide sufficient documentation and disclosure for another actuary practicing in the same field to evaluate the work." It is recommended that in the future, the Actuarial Report be improved to meet the NAIC requirements.

5. MARKET CONDUCT ACTIVITIES

In the course of this examination, a review was made of the manner in which the Company conducts its business and fulfills its contractual obligations to policyholders and claimants. The review was general in nature and is not to be construed to encompass the more precise scope of a market conduct investigation, which is the responsibility of the Market Conduct Unit of the Property Bureau of this Department.

The general review was directed at the Company's claims practices. No problem areas were encountered.
