April 26, 2016

Madam:

Pursuant to the requirements of the New York Insurance Law and in compliance with the instructions contained in Appointment Number 31238 dated October 24, 2014, attached hereto, I have made an examination into the condition and affairs of Wall and Broad Insurance Company as of December 31, 2013, and submit the following report thereon.

Wherever the designation “the Company” appears herein without qualification, it should be understood to indicate Wall and Broad Insurance Company.

Wherever the term “Department” appears herein without qualification, it should be understood to mean the New York State Department of Financial Services.

1. SCOPE OF EXAMINATION

The examination covers the period from the Company's commencement of business on June 1, 2008 through December 31, 2013, and was limited in its scope to a review or audit of only those balance sheet items considered by this Department to require analysis or verification. Transactions occurring subsequent to this period were reviewed where deemed appropriate. The examination included a review of Company records deemed necessary to accomplish such analysis or verification. Additionally, a review was performed to determine whether the captive insurer was operating within its by-laws, conforming with its plan of operation, as submitted to the Department, and was in compliance with Article 70 of the New York Insurance Law ("the Law").

Comments and recommendations are limited to those items requiring financial adjustment, procedural recommendations, or instances where the Company was not conforming to the application submitted to the Department or Article 70 of the Law.

The report utilized work performed by the Company's independent certified public accountant and its opining actuary to the extent considered appropriate.

2. DESCRIPTION OF COMPANY

The Company was incorporated under the laws of New York State as a captive insurance company on May 28, 2008, and commenced business on June 1, 2008. The Company is a wholly-owned subsidiary of NYSE Euronext Holdings LLC. On November 13, 2013, Intercontinental Exchange Inc. ("ICE") acquired NYSE Euronext Holdings LLC for a combination of \$11.1 billion in cash and stock. After the acquisition, NYSE Euronext Holdings LLC became a wholly-owned subsidiary of ICE. Under the new corporate structure, the Company remained a wholly-owned subsidiary of NYSE Euronext Holdings LLC with ICE as its ultimate parent.

Subsequent to the examination period, on June 2, 2014, NYSE Euronext Holdings LLC changed its name to NYSE Holdings LLC.

Intercontinental Exchange, Inc. is a leading global network of exchanges and clearing houses that is publicly-traded on the New York Stock Exchange under the symbol "ICE."

A. Articles of Incorporation

The Company is organized to transact the kinds of insurance specified in Section 1113(a) of the New York Insurance Law, subject at all times to the limitations on the business of pure captive insurance companies set-forth in Article 70 of the Law.

B. By-Laws

The examination found that the Company was in compliance with its by-laws in all material respects.

C. Capital Structure

As a pure captive insurance company incorporated as a stock insurer, the Company is required to maintain a total surplus as regards policyholders of not less than \$250,000, of which \$100,000 shall represent paid-in capital pursuant to the provisions of Section 7004(a)(1) of the Law.

As of December 31, 2013, the Company's paid in capital was \$250,000, consisting of 100,000 shares of common stock with a par value of \$1 per share and an additional paid-in amount of \$150,000. The Company had accumulated earnings of \$2,389,525, for a total capital and surplus (surplus as regards policyholders) of \$2,639,525.

D. Corporate Records

The corporate records reviewed appeared to be substantially accurate and complete in all material respects.

E. Operations

The Company commenced operations on June 1, 2008 and provides property, errors and omissions, workers' compensation and general liability coverage to its immediate parent and its U.S. subsidiaries. Subsequent to the examination date, coverage was expanded to include the ultimate parent. The Company provides:

- Workers' compensation and employer's liability coverage. Policy limits of \$500,000 per occurrence with a \$2,000,000 annual aggregate;
- General liability coverage. Policy limits of \$500,000 per occurrence;

- Errors and omissions coverage related to the deductible portion of the immediate parent’s external reinsurance contract. Policy limits through July 15, 2013, were the lesser of \$2.4 million excess of \$100,000 per each wrongful act/each claim or the maximum deductible payment required under the applicable policy. Effective July 15, 2013, policy limits were increased to \$3.9 million excess of \$100,000;
- All risk global property policy, with an all risk property limit of \$700 million. The Company cedes 100% of the property program to unaffiliated reinsurers;
- Terrorism Coverage
 - Terrorism Risk Insurance Program Reauthorization Act (“TRIPRA”), “certified loss,” with a limit of \$700 million and a business interruption sublimit of \$200 million. In the event of a certified loss, the Company would be reimbursed for 85% of the loss by the federal government. The Company would cede the remaining 15% to unaffiliated reinsurers.
 - “Non-certified loss” terrorism with a limit of \$300 million. One hundred percent of a non-certified loss would be ceded to unaffiliated reinsurers.

TRIPRA was signed into law on December 2007. It kept in place the basic framework of the Terrorism Risk Insurance Act (“TRIA”) enacted in 2002, and extended in 2005 by the Terrorism Risk Insurance Extension Act (“TRIEA”), and extended the federal backdrop for terrorism exposure until December 2014. On January 12, 2015, after an 11 day lapse, the Terrorism Risk Insurance Program Reauthorization Act of 2015, which extends the federal backdrop program for an additional six years through December 31, 2020, was signed into law.

Under this federal program, property and casualty insurers can offer coverage for incidents of international and domestic terrorism. Coverage under the program is triggered once a loss from a “Certified Act of Terrorism” occurs. A certified act of terrorism is when the Treasury Secretary, in concurrence with the Secretary of State and the Attorney General, certify that an incident meets the definition of an act of terrorism.

Non-certified acts are those that are not certified under the TRIA.

The following chart details the Company's gross and ceded premiums:

Coverage	Policy Period	Premium		
		Direct	Ceded	Net
Workers' Compensation	6/1/13 – 6/1/14	\$700,000	\$0	\$700,000
