September 15, 2006

Honorable Howard Mills
Acting Superintendent of Insurance
Albany, New York 12257

Sir:

Pursuant to the requirements of the New York Insurance Law, and in compliance with the instructions contained in Appointment Number 22514 dated June 6, 2006 attached hereto, I have made an examination into the condition and affairs of Executive Insurance Company as of December 31, 2005, and submit the following report thereon.

Wherever the designations "the Company" or "Executive" appear herein without qualification, they should be understood to indicate Executive Insurance Company.

Wherever the term "Department" appears herein without qualification, it should be understood to mean the New York Insurance Department.

The examination was conducted at the Company's administrative offices located at 900 South Avenue, Staten Island, New York 10314.

1. SCOPE OF EXAMINATION

The previous examination was conducted as of December 31, 2000. This examination covered the five-year period from January 1, 2001 through December 31, 2005, and was limited in scope to these balance sheet items considered by this Department to require analysis, verification or description, including: invested assets, inter-company balances, and loss and loss adjustment expense reserves. Transactions occurring subsequent to this period were reviewed where deemed appropriate by the examiner. The examination included a review of income, disbursements and company records deemed necessary to accomplish such analysis or verification and utilized, to the extent considered appropriate, work performed by the Company's independent public accountants.

A review or audit was also made of the following items as called for in the Examiners Handbook of the National Association of Insurance Commissioners ("NAIC"):

- History of Company
- Management and control
- Corporate records
- Fidelity bond and other insurance
- Territory and plan of operation
- Growth of Company
- Business in force by state
- Accounts and records
- Financial statements

A review was made to ascertain what action was taken by the Company with regard to comments and recommendations contained in the prior report on examination.

This report on examination is confined to financial statements and comments on those matters, which involve departures from laws, regulations or rules, or which are deemed to require explanation or description.

2. DESCRIPTION OF COMPANY

Executive was incorporated under the laws of the State of New York on June 15, 1972 under the title French Union Insurance and Reinsurance Company of New York to be successor to the United States Branch of the French Union Insurance and Reinsurance Company, Paris, France. This company entered the United States through the State of New York on September 15, 1934. It was licensed and the domestication became effective as of September 30, 1972. The current name was adopted on March 5, 1973.

On October 10, 1975, the Company was placed in rehabilitation under the supervision of the Superintendent of New York. Under the terms of the rehabilitation process, the Company's operations were conducted as a going concern with all policies in full force and effect, and with no new or renewal business accepted. The Company's rehabilitation process was terminated by an order of the Supreme Court of New York issued on January 23, 1976.

Ownership of the Company was acquired on June 28, 1977 by E.I.C. Enterprises, Ltd, a New York holding company, under a trust agreement with Great Atlantic Insurance Company, which had purchased all outstanding capital stock of the Company in early 1976 from the court appointed rehabilitator. E.I.C. Enterprises, Ltd. is deemed the ultimate controlling parent of Executive Insurance Company by reason of its 100% ownership of Executive's common stock. The estate of Milton Kligler is the record holder of 97.37% of the issued and outstanding share of E.I.C. Enterprises, Ltd.

During 2005, the Company significantly reduced its premium writings from prior years in anticipation of ultimately selling the Company.

The Company's paid in capital was \$1,000,000, consisting of 10,000 shares of \$100 par value per share common stock. As of the prior examination date, the Company's paid in capital was \$900,000, consisting of 10,000 shares of \$90 par value per share common stock. On April 30, 2002, the Company amended its charter to increase its capital by increasing the par value of its common shares from \$90 to \$100 per share.

<u>Paragraph</u>	<u>Line of Business</u>

Based on the lines of business for which the Company is licensed and the Company's current capital structure, and pursuant to the requirements of Articles 13 and 41 of the New York Insurance Law, the Company is required to maintain a minimum surplus to policyholders in the amount of \$1,200,000.

During the examination period, the company wrote business only in New York. The following schedule shows the direct premiums written by the Company for the period under examination:

<u>Calendar year</u>	<u>Direct Premiums Written</u>
2001	\$ 31,505
2002	\$ 414,328
2003	\$2,192,928
2004	\$2,050,923
2005	\$1,158,828

On August 7, 2002, the Company entered into a managing general agent's agreement and a claims service agreement with P&S Insurance Agency, Inc. Pursuant to the terms of the agreements, P&S Insurance Agency, Inc. agreed to receive and accept proposals for insurance covering private passenger automobile physical damage insurance, as well as provide claims administrative services including establishing loss reserves, settling and paying claims on behalf of Executive Insurance Company for the Company's New York based business.

During this same period, the Company entered into a managing general agent's agreement and claims service agreement with JAJ Holding Company, Inc. ("JAJ") whereby JAJ agreed to provide both underwriting and claims administrative services for Executive's private passenger automobile physical damage policies underwritten in the State of Florida. Due to the unfavorable performance of the business underwritten in the State of Florida and the poor premium volume, the Company terminated its managing general agent and claims service agreements with JAJ effective June 5, 2003, and ceased writing business in the State of Florida.

The Company also had a managing general agent agreement with The Robert Plan Corporation, which was terminated in 1996. As part of the settlement agreement, The Robert Plan Corporation's authority to write new and renewal business for Executive Insurance Company expired on December 31, 1996. The Robert Plan Corporation continues to service all policies in force (the "run-off" policies) pursuant to the agency agreement until (1) each separate run-off expires by its term or otherwise terminates, and (2) Executive's obligations to renew each separate run-off policy has terminated. All claims under these policies are serviced under an agreement between the Company and Eagle Insurance Company.

It was noted that the Company complied with Department Regulation 120, including filing "FORM-01" for each managing general agent.

C. Reinsurance

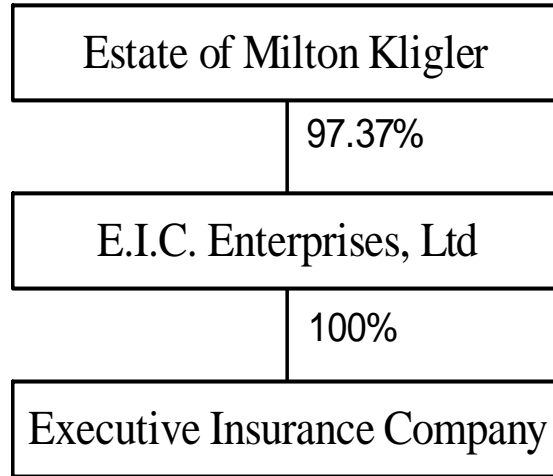

As of December 31, 2005, Executive did not have a reinsurance program in place. The Company terminated its last reinsurance treaty (catastrophe coverage) in 2004. The Company had maintained catastrophe coverage for its Florida book of business. Due to the run-off status of the Florida business, the Company discontinued its catastrophe coverage in 2004.

D. Holding Company System

The Company is part of a holding company system as defined by Section 1501(a) of the New York Insurance Law. E.I.C. Enterprises, Ltd., a New York holding company, is deemed the ultimate controlling parent of Executive Insurance Company by reason of its 100% ownership of Executive common stock. The estate of Milton Kligler is the record holder of 97.37% of the issued and outstanding shares of E.I.C. Enterprises, Ltd.

As part of a holding company system, the Company files registration statements pursuant to Article 15 of the New York Insurance Law and Department Regulation 52. All pertinent files were reviewed and no problem areas were encountered.

The following is a chart of the Company's holding company system at December 31, 2005:

Effective January 1, 1980, the Company files its federal income tax returns on a consolidated basis with its parent, E.I.C. Enterprises, Ltd., pursuant to a tax allocation agreement. The tax allocation agreement was amended effective June 1, 2002 to comply with the provisions of Department Circular Letter No. 33 (1979). The tax allocation agreement and subsequent amendment were approved by this Department.

E. Abandoned Property Law

Section 1316 of the New York State Abandoned Property Law provides that amounts payable to a resident of this state from a policy of insurance, if unclaimed for three years, shall be deemed to be abandoned property. Such abandoned property shall be reported to the comptroller on or before the first day of April each year. Such filing is required of all insurers regardless of whether or not they have any abandoned property to report.

The Company's abandoned property reports for the period of this examination were all filed on a timely basis pursuant to the provisions of Section 1316 of the New York State Abandoned Property Law.
