1. SCOPE OF EXAMINATION

The Department has performed a risk focused examination of Stewart Title Insurance Company. The previous examination was conducted as of December 31, 2003. This examination was conducted in accordance with the National Association of Insurance Commissioners (“NAIC”) Financial Condition Examiners Handbook (“Handbook”), which requires that we plan and perform the examination to evaluate the financial condition and identify prospective risks of the Company by obtaining information about the Company including corporate governance, identifying and assessing inherent risks within the Company and evaluating system controls and procedures used to mitigate those risks. This examination also includes assessing the principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation, management’s compliance with Statutory Accounting Principles and annual statement instructions when applicable to domestic state regulations.

All financially significant accounts and activities of the Company were considered in accordance with the risk-focused examination process. The examiners also relied upon audit work performed by the Company’s independent public accountants when appropriate.

This examination report includes a summary of significant findings for the following items as called for in the Financial Condition Examiners Handbook of the NAIC:

- Significant subsequent events

A review was also made to ascertain what action was taken by the Company with regard to comments and recommendations contained in the prior report on examination.

This report on examination is confined to financial statements and comments on those matters that involve departures from laws, regulations or rules, or that are deemed to require explanation or description.

2. DESCRIPTION OF COMPANY

The Company was incorporated under the provisions of Article 64 of the New York Insurance Law on October 26, 1987. It became licensed on December 2, 1987 and commenced business on the same date.

At February 3, 2006, the Company acquired a 100% interest in Monroe Title Insurance Corporation. On May 12, 2009, the Company merged with Monroe Title Insurance Corporation, with the Company as the surviving entity. The transaction was accounted for as a statutory merger.

Capital paid in is \$1,100,000, comprised of 100,000 shares of Class A common stock with a par value of \$2 per share and 90,000 shares of Class B common stock with a par value of \$10 per share. Gross paid in and contributed surplus increased by \$11,653,035 during the examination period as follows:

<u>Year</u>	<u>Description</u>	<u>Amount</u>
January 1, 2003	Beginning gross paid in and contributed surplus	\$12,112,500
2004	Surplus contribution	\$ 1,653,035
2005	Surplus contribution	<u>10,000,000</u>
	Total surplus contributions	<u>11,653,035</u>
December 31, 2008	Ending gross paid in and contributed surplus	<u>\$23,765,535</u>

A. Management

Pursuant to the Company's charter and by-laws, management of the Company is vested in a board of directors consisting of not less than seven or more than eleven members. The Board met four times during each calendar year. As of December 31, 2008, the board of directors was comprised of the following seven members:

<u>Name and Residence</u>	<u>Principal Business Affiliation</u>
Peter C. Haeffner, Jr. Garden City, New York	Self-Employed, PHAEF LLC
James I. Hisiger, Esq. Armonk, NY	Partner, Latham and Watkins LLP
Malcolm S. Morris Houston, TX	Chairman and Co-Chief Executive Officer, Stewart Information Services Corporation; Chairman and Chief Executive Officer, Stewart Title Guaranty Company; Chairman, Stewart Title Company
Stewart Morris, Jr. Houston, TX	President and Co-Chief Executive Officer, Stewart Information Services Corporation; President and Chief Executive Officer, Stewart Title Company; Senior Chairman, Stewart Title Guaranty Company
Richard A. Nardi, Esq. Armonk, NY	Partner, Loeb & Loeb LLP
Michael B. Skalka Katy, TX	President, Stewart Title Guaranty Company; Chairman & Chief Executive Officer, Stewart Information International and Stewart Title Insurance Company; Chairman, STG de Mexico and Stewart Title, Ltd.
John F. Welling Rye, NY	President and Chief Operating Officer, Stewart Title Insurance Company

A review of the minutes of the board of directors' meetings held during the examination period indicated that the meetings were generally well attended with the exception of James Hisiger whom attended less than 50% of the meetings he was eligible to attend.

Members of the board have a fiduciary responsibility and must evince an ongoing interest in the affairs of the insurer. It is essential that board members attend meetings consistently and set forth their views on relevant matters so that the board may reach appropriate decisions. Individuals who fail to attend at least one-half of the regular meetings do not fulfill such criteria. It is recommended that board members who are unable or unwilling to attend meetings consistently should resign or be replaced. It is noted that Mr. Hisiger was subsequently removed from the board in July, 2009.

As of December 31, 2008, the principal officers of the Company were as follows:

<u>Name</u>	<u>Title</u>
John F. Welling	President
Julie A. Curlen	Secretary
Emily Thai-DeRago	Treasurer

B. Territory and Plan of Operation

As of December 31, 2008, the Company was authorized to transact title insurance as defined in paragraph 18 of Section 1113(a) of the New York Insurance Law. The Company is a multi-state insurer as it is authorized to write title insurance business in the states of New York and California.

Based upon the line of business for which the Company is licensed, its current capital structure, and pursuant to the requirements of Article 64 of the New York Insurance Law, the Company is required to maintain a minimum surplus to policyholders in the amount of \$1,100,000.

During the examination period, the Company issued title insurance policies in New York State only. The following schedule shows the direct premiums written by the Company during the examination period:

<u>Year</u>	<u>Direct Premiums Written</u>
2004	\$145,935,696
2005	\$153,156,953
2006	\$153,902,842
2007	\$162,251,887
2008	\$110,026,661

The Company writes most of its business through title agents, who are compensated at a commission rate ranging from 80% to 85% of gross premiums written.

In addition to its primary business of issuing title insurance policies, the Company also generates revenue by performing other title related services connected with real estate transactions.

C. Reinsurance

Assumed:

The Company assumes a minimal amount of reinsurance on a facultative basis. Almost all of the business assumed is from affiliates.

Ceded:

The Company has a facultative arrangement in place with its direct parent, Stewart Title Guaranty Company, which allows the Company to cede liabilities in excess of its internally defined excess loss risk. As of December 31, 2008, excess loss was defined as exposures over twenty million dollars.

It should be noted that there have been no instances of the Company paying a loss which triggered making a claim on its ceded facultative contracts. The Company accordingly has not reported any reinsurance recoverables on paid losses or reflected any reinsurance recoverables in its known claim reserves.

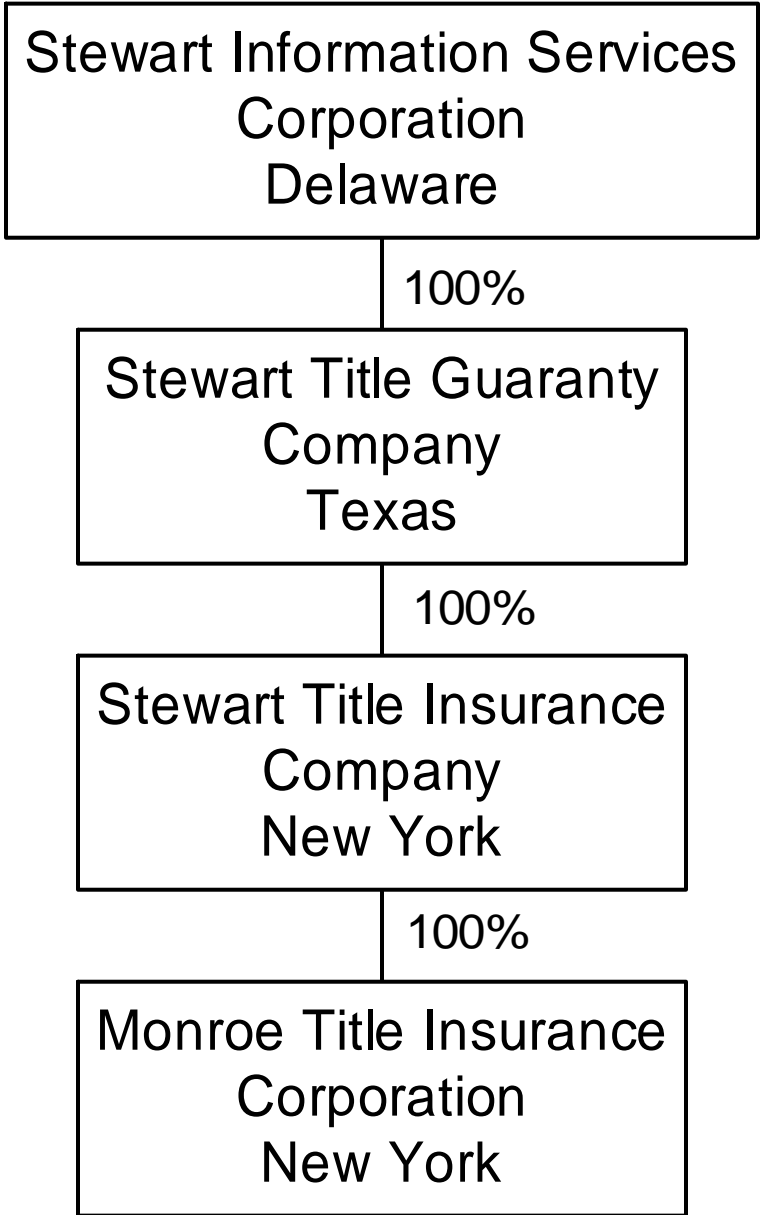

D. Holding Company System

The Company is a wholly-owned subsidiary of Stewart Title Guaranty Company, a Texas insurer, which is ultimately controlled by Stewart Information Services Corp., a Delaware holding company, which is publicly traded.

A review of the holding company registration statements filed with the Department indicated that such filings were complete and were filed in a timely manner pursuant to Article 15 of the New York Insurance Law and Department Regulation 52.

On May 12, 2009, the Company merged with its wholly-owned subsidiary Monroe Title Insurance Corporation.

The following is an abbreviated chart of the holding company system as of December 31, 2008:

As of the examination date, the Company was a party to the following agreements with affiliated entities:

1. Consolidated Federal Income Tax Return Settlement Agreement

Effective January 1, 1974, the holding company entered into a consolidated federal income tax return settlement agreement. The agreement was subsequently amended on January 1, 1987. Stewart Title Insurance Company was added to the agreement upon its incorporation on October 26, 1987.

2. Audit Agreement with Stewart Title Guaranty Company

The Company has the captioned agreement in place, whereby Stewart Title Guaranty Company will periodically perform audits on the Company's agents.

3. Underwriting Agreement with Monroe Title Insurance Company

The Company entered an agreement with Monroe Title Insurance Company ("Monroe") on October 17, 2007, whereby Monroe provides title assurances to the Company and other title insurance underwriters of the Company's choosing.

This agreement subsequently ceased to exist upon merger of the Company with Monroe in 2009.

4. Facultative Reinsurance Agreements

The Company has various facultative agreements in place with affiliated entities. The agreements allow the Company to cede and assume liabilities in excess of internally defined excess loss limits defined by the ceding companies. The agreements were filed in accordance with Section 1505 of the New York Insurance Law.

E. Significant Operating Ratios

The underwriting ratios presented below are on an earned/incurred basis and encompass the five-year period covered by this examination:

	<u>Amounts</u>	<u>Ratios</u>

F. Accounts and Records

A review of the custodial agreement between the Company and its investment securities custodians indicated that the agreement did not contain the controls and safeguard provisions set forth in Section 3(III)(H) of the NAIC Financial Condition Examiners Handbook.

It is recommended that the custodial agreement between the Company and its investment securities custodian be revised to contain the safeguards and provisions stated in Section 3(III)(H) of the NAIC Financial Condition Examiners Handbook.
