1. The Hearing will be conducted and administered in compliance with the State Administrative Procedure Act and the Financial Services Law, and will be held before an impartial hearing officer who will make a Report of findings, conclusions, and recommendations to the Superintendent or the Superintendent's designee.
2. You must be ready, and prepared with your evidence, to present your case on the hearing date.
3. You may be represented by an attorney at the hearing.
4. Interpreter services shall be available for deaf persons, upon advance request, at no charge. Such request should be made as soon as possible by contacting the Department attorney who signed the Citation/Notice of Hearing.
5. You may file a written answer to the Citation/Notice of Hearing. If you do so, it should be delivered at least two days before the hearing date to the Department attorney who signed the Citation/Notice of Hearing. You will have a full opportunity at the hearing to dispute or explain any charges made against you in the Citation/Notice of Hearing whether or not you file an answer.
6. You may present evidence and have witnesses testify at the hearing. If you believe a Witness will not appear voluntarily and you do not have an attorney representing you, you may request the hearing officer to furnish you with a subpoena to compel the witness' attendance. If the hearing officer issues the subpoena, the service of the subpoena upon the witness and payment of all required fees is your responsibility.
7. You may request a hearing officer's report and an opportunity to comment on it in writing before the Superintendent acts on the report. The request must be made to the hearing officer on the record prior to close of the hearing.
8. Prior to the commencement, a hearing may be postponed upon your request upon a written application to the Department official who issued the Citation/Notice of Hearing. The application may be granted upon a showing of good cause at the discretion of the Department official who issued the Citation/Notice of Hearing.
9. A hearing in progress may be adjourned by the hearing officer at your request for good cause shown or upon consent of all parties. If you request that a hearing in progress be adjourned for good cause shown, you must present documentary evidence as the hearing officer deems appropriate. The factors to be considered in determining good cause shown include but are not limited to the illness of a party, witness,

or attorney, the temporary absence of a witness, the opportunity to obtain an attorney, the actual engagement of an attorney in a court proceeding, and the number and nature of previous requests for adjournment.

10. If you do not appear at a hearing requested upon the denial of an application for a license, your request will be deemed withdrawn.
11. If you do not appear or are not represented at the hearing on a Citation, the hearing will take place as scheduled and a decision on the charges will be made. The decision may result in the revocation or suspension of your licenses and the denial of any pending applications, and such other action as may be permitted by law, including the imposition of monetary fines.
12. If you do not appear at a hearing, the hearing may be reopened upon a written application, if you satisfy the hearing officer that there are valid reasons for your failure to appear or your failure to request an adjournment or postponement and you have a meritorious case. If you do appear at the hearing, the hearing may be reopened on written request to the hearing officer if you can show newly discovered evidence or other compelling reason for such reopening. The application to reopen must be made within one hundred and twenty (120) days from the effective date of the Superintendent's or the Superintendent's designee's decision.
13. Once a decision is made against you, you may, if you wish, take an appeal to the courts. This appeal must be made within four months from the date the decision was effective. It should be emphasized that your right to take an appeal is not connected in any way with your right to reopen the hearing as described in paragraph 12 and an application to reopen does not extend your time to take an appeal to the courts.

**NEW YORK STATE
DEPARTMENT OF FINANCIAL SERVICES
FIRST AMENDMENT TO 23 NYCRR 2**

**RULES GOVERNING THE PROCEDURES FOR ADJUDICATORY PROCEEDINGS BEFORE THE
DEPARTMENT OF FINANCIAL SERVICES**

I, Adrienne A. Harris, Acting Superintendent of Financial Services of the State of New York, pursuant to the authority granted by Sections 102, 201, 202, 302 and 305 of the Financial Services Law and Section 301 of the State Administrative Procedure Act, do hereby promulgate the First Amendment to Part 2 of Title 23 of the Official Compilation of Codes, Rules and Regulations of the State of New York, to take effect upon the filing of the Notice of Emergency Adoption with the Secretary of State, to read as follows:

(ALL MATTER IS NEW)

Section 2.19 is added to read as follows:

§ 2.19 Hearings conducted by videoconference.

(a) At the discretion of the Department official who issued the notice of action or proposed action, a hearing held pursuant to this Part may be conducted by videoconference. When a hearing is conducted by videoconference, none of the parties nor the hearing officer need to be physically present at the same location.

(b) All provisions of this Part that are not inconsistent with the specific provisions of this section shall apply to hearings conducted by videoconference. For purposes of § 2.14(b) of this Part, the term *hearing room* shall mean videoconference when a hearing is conducted by videoconference.

(c) A respondent or applicant may object to conducting the hearing by videoconference by sending a written notice of the objection to the hearing officer by first class mail, overnight mail or electronic mail to an address or email address designated by the Department and posted on the Department's website. The written notice of objection must be received by the hearing officer at least five business days before the time set for the hearing.

(d) In the event that the hearing officer receives a timely written objection to conducting the hearing by videoconference in accordance with subdivision (c) of this section, the hearing officer may determine that the hearing shall not be conducted by videoconference and shall be conducted with the respondent or applicant and the hearing officer physically present at the same location, when in the judgment of the hearing officer:

(1) the respondent's or applicant's due process rights would best be served by conducting a hearing in-person; or

(2) there are circumstances presented by the respondent or applicant that make proceeding with the hearing by videoconference fundamentally unfair or impractical.

**Statement of the Reasons for the Emergency Measure
First Amendment to 23 NYCRR 2**

COVID-19 has spread to hundreds of millions of people worldwide, with more than 2.4 million confirmed cases, and over 54,000 deaths, in New York State since February 2020. According to the Centers for Disease Control and Prevention (“CDC”), the Delta variant of SARS-CoV-2, the virus that causes COVID-19, is the predominant variant of the virus in the United States. The Delta variant is a more transmissible and contagious form of the virus, may cause more severe symptoms, and appears to be behind the recent increase in cases and hospitalizations across the nation, including this state. Given the public health implications related to COVID-19, it is essential that the Department of Financial Services (“Department”) promulgate regulations that implement protective measures, whenever possible, to help stop its spread.

This amendment adds a new section 2.19 to 23 NYCRR Part 2, specifying that the Department may conduct administrative hearings by videoconference at the Department’s discretion. This is being done so that the parties and hearing officers do not have to be physically present at the same location during hearings. A hearing officer will determine, upon a timely objection filed by a party, if a hearing held by videoconference would either impinge upon the party’s due process rights, or would be fundamentally unfair or impractical, according to section 2.19(d) of the regulation.

The Department is taking special precautions during this unprecedented health crisis to minimize the spread of COVID-19 by, among other things, reducing the number of individuals who may enter the Department’s offices at any given time. Therefore, conducting an administrative hearing by videoconference protects the safety of those participating in, or witnessing the hearing, by avoiding personal contact in a way that will help limit the spread of COVID-19. It is thus imperative that this amendment be promulgated on an emergency basis for the public’s general welfare and the preservation of public health.
