* The guarantee duration, for other annuities and guaranteed interest contracts without cash settlement options, is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence.

** Plan Type A: The policyholder may withdraw funds only (1) with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or (2) without such adjustment but in installments over five years or more, or (3) as an immediate life annuity.

Maximum Valuation Interest Rates after 2019

For charitable gift annuities issued on or after January 1, 2020, the maximum valuation interest rates are prescribed by Section 103.5 of 11 NYCRR 103 (Insurance Regulation 213). The amendment to Section 1110 of New York Insurance Law effective 1/23/24 does not affect maximum valuation interest rates.

These maximum valuation interest rates may be found on the Department's website here:
