Once you receive the case number for your dispute, a completed IDR Provider and Insurer Application should be sent to the assigned Independent Dispute Resolution entity (IDRE) along with the full IDR fee for the assigned IDRE. The IDRE will send you information on how to submit the fee.

The IDRE will refund the IDR fee to the prevailing party within 30 days of the determination. If there is a settlement between the two parties or a split decision, a prorated fee applies and both parties will receive a partial refund. If an IDR dispute is determined to be ineligible, an application processing fee may apply resulting in a partial refund.
